

Sandhurst School

A Level Results 2009

Congratulations to all our sixth form students.

We were very proud of the students in year 13: they achieved a 99% pass rate and over 35% of results were As and Bs. The average points score continuing the positive trend of the last few years. Many of the students are now going on to take up places at university and we wish them every success.

We would also congratulate the year 12 students and look forward to working with them over the coming year as they build upon their successes in their final year at Sandhurst Sixth Form.
