Dear Parents

Further to parents evening on Wednesday 25<sup>th</sup> January, please find enclosed an application form and information guide for your child's work experience. Work experience is due to take place in the summer term from the 2<sup>nd</sup> - 6<sup>th</sup> July 2012.

One difficulty that we have in placing students is our location, tucked away in the most southern corner of Berkshire. Our Education Business Partnership [EBeBP] operates in south west Berkshire and cannot access placements in Surrey or Hampshire because these are other local authorities' territories. Therefore if you are relying on the EBeBP to find your child a placement please give careful consideration to the areas identified on the application form and where your child will be able to travel too.

In the meantime, if there is something that has not been covered, or you are unclear of, please do not hesitate to contact me. The full parents evening presentation is available on the school website and SDC2.

Yours sincerely
