Dear Parent/Carer

A number of students have reported being contacted via facebook by 'Sarah Noble'. The photo shows a girl of about 15 years of age. The contact attempts seem to have begun just over a month ago. From what our students have told us it is boys who have been contacted.

This came to our attention when a parent contacted us to say her son had been asked to send inappropriate pictures. She contacted the police. Other students have said that if they have engaged in any conversation with 'Sarah Noble' the conversation has become suggestive and sexual.

We have phoned the parents of all students we know who have been contacted but are writing this letter in order to be sure we have advised all parents of this situation.

We advise the following:

- Please check with your son/daughter to see if they have been contacted by 'Sarah Noble'.
- Print any relevant conversations.
- Delete the contact and block the sender.
- Call Thames Valley Police 0845 8505505 **if** a contact attempt has been made.
- We would also advise you to check the facebook settings for privacy and security of your online accounts for all family members. Information on how to do this can be found in the parents section under the heading E-Safety.

There is also links on our own "Sandhurst School Against Bullying" facebook page which you can access by clicking on the "Like" button on our website. This is located on the right hand side.

Yours sincerely

Mrs D M Smith  
Deputy Headteacher
