9th January 2012

Dear Parent/Guardian

Year 11 Maths Resits

I am writing to inform you that the resits for module 1 will take place on 5th March 2012. Your son/daughter will have received their grade for their first attempt at module 1. As part of the modular course it is possible to retake the Module 1 exam. This is the last chance to improve the grades before the final exam in the June 2012. The highest grade that your son/daughter receives for module 1 and 2 will be combined to calculate the grade they are currently working at before the final exam in the summer.

Your son/daughter has had a conversation with their maths teacher and should know what level they should re-sit. If you wish your son/daughter to re-sit the module exam in March (at the cost of £9.30 each), could you please complete the slip below and return, with a cheque payable to Sandhurst School, to Mrs Brundish in the examinations office by no later than Friday 20th January 2012 (entry after this date will cost double due to exam board deadlines).

Those students who have only had one attempt at the module 2 exam (November 2011) can also retake that on 7th March. The cost is again £9.30. The students will know if they retook the exam in November, but if they are unsure please feel free to contact their maths teacher.

In preparation for the re-sit exams your son/daughter can revise using Mymaths, SAM learning and GCSE bitesize. There is also a wealth of past papers available on the SDC with mark schemes. Revision sessions will be run after school and students will be informed of them by their maths teacher.

Once again, I thank you for your continued support.

Yours sincerely

Mr Ben Laws
Maths Subject Leader

Year 11 Maths Resits. Please return to Mrs Brundish, Examinations Officer by Friday 20th January 2012

Student Name:

Tutor Group:

Module: 1 2 (please circle)

Tier of entry: Foundation Higher (please circle)
