16th January 2012

Dear Parent/Carer

The Year 10 geography students have recently completed the first of two units to be examined on 14th June 2012. This will be their first modular exam for geography and is worth 30% of their GCSE grade.

In order to fully prepare for the demands of the exam paper, all Year 10 geography students will be sitting a mock exam during the week beginning Monday 23rd January. The timetable is as follows:

Mr Marshall's group - Monday 23rd January (10A)

Miss Maisey's group - Wednesday 25th January (10D)

Miss Whiting's groups - Thursday 26th January (10B and 10C)

The mock exam will cover work carried out during the autumn term – 'Challenges of Living in the Built Environment,' and the exam will last for one hour. Thorough preparation for the exam is necessary as it will give us an indication of suitability for higher or foundation tier entry in the summer exam.

Many thanks for your support.

Yours sincerely

Mr N Marshall
Geography Subject Leader
