10th January 2011

Dear Parents

The first Year 9 external module examination is scheduled for 7th March, this is AQA Unit 1 covering Statistics and Data Handling. It is now time for the students to start revising and making sure they are familiar with the AQA exam style and the necessary exam technique.

The Maths department are selling AQA Revision Guides at £3 and AQA Workbooks also at £3. The revision guides provide factual information on all topics, whilst the Workbooks provide practice questions for students to work through. Please use the return slip below to order either or both of these books. Slips should be returned to Maths teachers by Friday 21st January at the latest. Please complete and return the slip even if you do not want to buy either book.

The Maths department has also provided examples of past papers via the Sandhurst Digital Campus. These are there to enable the students to work through real examples of the kinds of questions they will be required to answer in their real exam.

Yours sincerely

Mr J Prout  
Mathematics Subject Leader

-----
