19th January 2011

Dear Parents

Thank you for your attendance at parents evening last night. I hope you found the information helpful and that options choices are a little clearer. Today, your son/daughter was given their options form and an invitation to attend the review day on Friday 28th January.

On the reverse of the options form you will see the range of subjects available to your son/daughter. This also identifies if the subject takes up one, two or three options. The booklet given to students last week identified the Travel and Tourism option as a double option. This was an error which has been corrected on the options form. Travel and Tourism will be delivered as a single option.

Students were also given further information today about the Level 2 Construction course which is also a single option.

All of this information is available on the SDC and teaching staff will be happy to provide further guidance if required.

Thank you for your ongoing support during this important process.

Yours sincerely

Mr J Eddy
Assistant Headteacher
