February, 2011

Dear Parent/Carer

## Year 7 Formative Report

Please find enclosed the report of your child's progress in their Key Stage 3 subjects.

As on their previous report your child has been set target levels to aim for by the end of Year 7.

Subject teachers have made a judgement about the level they feel that your child is currently working at. These judgements are based on results from milestone assessments (regular tasks that all students will complete in each subject to allow a valid level to be awarded). All of these results are recorded on the relevant pages at the back of your child's work journal. On these pages you can regularly check on the assessments that they have completed and what they need to do to improve further.

This report also contains a judgement about your child's 'Attitude to Learning'. This aspect is judged on a scale from A to E. The criteria are explained in the accompanying notes.

Teachers have also set a learning goal for your child to focus on in the future to help them to improve.

You will receive a Summative Report in the final half term of this year.

In the Summer term (Wednesday 11th May) there is a Year 7 Parents Evening at which your child can make appointments for you to see all of their subject teachers to discuss their progress.

If you have any comments or queries about this report please do not hesitate to contact either your child's tutor or the relevant subject teacher.

Yours sincerely

S Bamford  
Assistant Headteacher
