Dear Parent

Bracknell & Wokingham College Reports 2011

I am pleased to enclose the year 10 progress report issued by Bracknell & Wokingham College. The college are using a new system for registering and preparing reports which only became live from January and therefore has caused a slight delay in the process.

As a result of installation problems of the new system you will see from the report there is no attendance register, however, where there is any cause for concern regarding attendance or punctuality this is clearly recorded by the tutor.

Should you have any concerns or require further clarification with any of the reports content please call James Langdon, 14-16 Programme Manager, Bracknell & Wokingham College on: 01344 766601 who will be pleased to answer any questions.

If in the meantime I can be of any help please do not hesitate to contact me.

Yours sincerely

Miss H White
