Dear Parents

Further to parents evening on Tuesday 1st February, please find enclosed an application form and information guide for your child's work experience. Work experience is due to take place in the summer term from the 4th – 8th July 2011.

Please also find a bus timetable highlighting the routes and frequency of the local bus service. As you will appreciate Sandhurst is a small area with limited placements available, therefore if your child is able to travel it will open up many more opportunities for them.

In the meantime if there is something that has not been covered, or you are unclear of, please do not hesitate to contact me. The full parents evening presentation is available on the school website and SDC.

Yours sincerely

Miss H White
