Dear Parent/Carer

## Catering GCSE Practical Exam February 2011

Students have received their brief for their February practical exam. It is to plan, prepare and present a two course meal for a family member and guest. Plan for two covers.

To prepare for this exam, all students have been completing controlled coursework at school. This work has to be completed in lesson time and cannot be taken home. Students can prepare information, such as their time plan at home, but must add it to their school document during lessons.

The practical exams take place over a week, ten students cooking each day.

The date of your child's exam is: **Tuesday 15th February**

On the day the students must bring their equipment and food to the kitchen before registration. They are then in our department for the whole day.

If possible please allow your child to practice their dishes at home, so that they can feel confident and relaxed on the exam day. If this is not possible, there are some practise sessions after school which they are welcome to attend, but must bring all their own ingredients as usual.

If you have any queries about the exam, please feel free to contact us to discuss it.

Thank you for your support.

Yours sincerely

Ms Catanach  
Catering Department

Mrs Tudor
