Dear Parent/Carer,

Re: PE extra-curricular clubs

The PE Department work extremely hard to run as many extra-curricular clubs as possible throughout every school week. There are clubs on at lunchtimes and most days after school. We really hope that our students will take up these fantastic opportunities and be active for this school year.

The majority of the PE clubs are run by the PE Department staff. These clubs are free to attend and students just have to turn up to the PE block with their PE kit. There are some clubs where we have external coaches coming in to take the sessions. For these clubs there is a very small fee to attend. Due to the funding we have managed to obtain for these clubs, we are able to offer these sessions at a very low cost.

The extra-curricular sports on offer in the Autumn term include; Basketball, Badminton, Netball, Trampolining, Hockey, Girls Football, Freestyle Gymnastics and Rugby. Below is a copy of the extra-curricular timetable, which is also displayed in the PE block for all students.
