Dear Parent /Carer

Re: English Literature GCSE

The new English Literature GCSE requires in-depth study of three texts leading to examinations at the end of Year 11. These texts are dependent on the set your child is in. The texts are taught in detail in class and many students find it beneficial to have their own copies of the text in order to take notes during the learning process. They are then able to use these notes to assist them with revision in preparation for the examination. It should be noted that it will be a closed book exam which means that students will not be provided with a copy of the text. As such we strongly recommend that all students purchase copies of the texts through school so that they are able to prepare in detail for their examinations.

Copies can be purchased through the school at a discount and texts will be issued to the students prior to the relevant topics being studied.

The total cost for all three texts is £16.00

If you should have any trouble meeting the cost of these texts, please contact the finance office and they may be able to help to ensure your child has a copy.

If you have any questions regarding examination texts please contact your child's English teacher in the first instance.

Yours faithfully
