Headteacher Update

Welcome back and Happy New Year.

I hope you all had a lovely holiday and that Christmas was all you hoped it would be. We certainly plan for it! Many of you I'm sure put an almost irrational amount of planning into the day. I know what when it comes to decorations it takes me a whole weekend to put them up and almost another one to take them down.

Many of us are now resolute with good intentions – probably having eaten the last few boxes of chocolates, cakes, crisps etc. just to get 'rid' of them before the lean times begin. Joyous January – the month of diets, no money until 31st and rubbishy old weather.

The cobwebs are all brushed off here and the students and staff are now settled back into the routine and we are looking forward to a busy term. Our full weekly news will resume next week.

Thank you, once again, in anticipation of your support.

Debbie Smith
