26th September 2018

Dear Parent/Carer,

Re: Pre Public Exams

With the Pre Public Exams (PPEs) fast approaching, week beginning **12th November 2018**. Many parents and students are looking at how they can best prepare to maximise exam success. I am very pleased to inform you that we have two revision guides that are available to purchase.

The first booklet is called "Revision Cracked" and is aimed to support students with practical ideas that aim to make revision more effective. The second booklet, "How Parents can help!" aims to provide practical ways in which you can support your son/daughter.

Each booklet costs **£1.20** and is available to order through school, please complete the attached slip and hand it in with the money to the Finance Department. To order please return the reply slip to the Finance Office by **Friday 5th October** enclosing either cash or cheque made payable to "Sandhurst School Private Account".

I would also like to remind you there is a parent subject evening on the **1st November 2018**, notification will be given closer to the event inviting you to book subject appointments online. You will be given a copy of your son/daughter's examination timetable at this event.

With only five full school weeks left until the start of the examinations I would advise that home revision begins soon to help secure the best possible outcome. These exams are formally run with external moderators and full exam conditions in the sport hall unless a special consideration has been applied.

We understand this can be a stressful time for many students and will appropriately support and guide students during this period. If you have any concerns, please don't hesitate to contact your son/daughter's tutor so we are able to provide further support.

Yours sincerely

Mr J Southwood
Deputy Headteacher
