Dear Parent(s),

Re: Post-16 Open Days

Your son/daughter will soon need to decide what they would like to do when they have finished their GCSEs next year. There are a number of brilliant Sixth Forms and Colleges within easy reach of here, including Farnborough Sixth Form College, Farnborough College of Technology and Edgbarrow Sixth Form.

They are all holding Open Events in the coming months that may be of interest to you and your son/daughter. These events offer a great opportunity for students to learn more about the wide range of courses and facilities available, as well as to meet with staff and current students. These are all advertised to the students via the Careers Google Classroom as well as on our social media.
