Dear Parent(s),

Re: Year 11 After School Revision

Year 11 has now begun in earnest and the year group are already demonstrating that they are up to the challenge that this crucial milestone of their education brings.

As part of this, a number of subject areas plan to deliver after-school revision starting next week, **Monday 14th September**. Please see the attached plan.

Some subject areas plan to begin their revision sessions slightly later or after the October half-term. This has been stated clearly on the schedule should this be the case.

It is important to distinguish these sessions from the morning intervention sessions. The morning intervention sessions are compulsory and those students selected must attend. These afternoon sessions are optional but it is highly recommended that students attend as many as possible to give them the best chance of academic achievement.

I am extremely proud of the journey the year group has been on since I became their Head of Year in Year 8 and I am excited to celebrate their inevitable successes as the year progresses.

Please do not hesitate to contact your child's tutor or myself with any questions you may have.

Yours Sincerely,

Ryan Houston
Head of Year 11
